### TO BE COMPLETED BY SUPERVISING FACULTY MEMBER

*I have read the student's proposed DANC 490: Directed Research project and agree to be the student's supervising faculty member. In my opinion, the project has strong merit and the student is academically prepared and intellectually capable of carrying out the work.*

*Only full-time faculty members may oversee a Directed Research project. Part-time faculty members may oversee a Directed Research project if there is no other faculty member with a specific area of expertise related to the project—and that faculty member has received approval from the Assistant Dean of Faculty.*

*I certify that I am a full-time faculty member or have received approval from the Assistant Dean of Faculty to serve as a supervisor for the project.*
